

Fabric Graphics Association

The Fabric Graphics Association (FGA) represents fabric graphics and printing companies. FGA provides educational resources for fabric graphics members, hosts workshops to demonstrate best practices hands-on, analyzes and shares industry trends with its membership, and brings member companies together to build business. The Fabric Graphics Association provides a network to exchange information, solve common problems and develop mutually beneficial relationships.

BE INFORMED

- Education sector exposure through the annual FGA Student Design Challenge
- Exclusive IFAI and FGA scholarships are available for member employees and their families
- Webinars and conferences on fabric graphics applications and innovations
- Access industry resources, educational materials and a member directory
- Learn more about your market with in-depth research and surveying
- Complimentary magazine subscription to *Specialty Fabrics Review*

GET RECOGNIZED

- Be a source for IFAI's publications; share your knowledge and products
